TEXTILE PATTERN DESIGNER

ABOUT

Lucille Womack

As a surface pattern designer Lucille creates prints for fashion, soft furnishings, wallpaper and home accessories. Her designs are a combination of hand sketches and/or painting techniques enhanced with CAD skills in Adobe programs such as Illustrator, Photoshop and Fresco. Edits, color separations, recoloring and color matches along with technical repeats are finalized for printing.

WORK EXPERIENCE

Technical Sales Assistant
2000-2020

Knoll, Inc

Philadelphia, PA

Provided daily design support for sales team to meet annual goals. Trusted on must win accounts with top sellers on projects from \$500,000-\$2million.

- Supported between 5-15 sales people with a full range of design services including RFP submittals, presentation boards, slideshow decks, look books, product line sheets, Excel budget sheets, 3D SketchUp Pro renderings, animations, team t-shirts designs, print ads and other marketing materials.
- Used advanced Photoshop editing on renderings and photographs.
- Targeted designs to clients while still maintaining brand consistency.
- Maintained sample library and assisted clients with choosing finishes.
- Coordinated with printers for quality assurance and delivery schedule.

Ad Compositor
1998-2000

Aquent

Norristown, PA

Completed 5000+ ads as a Aquent temporary employee with Verizon Directory Graphics. Upheld high levels of accuracy and volume.

Artisan Jewelry Maker
Summer 1997

Maximal Art

Philadelphia, PA

Started in jewelry assembly and quickly promoted to areas normally reserved for senior artisans. Assigned to resin pouring, brooch production and watch repairs.
